Proceeds benefit Timber Sports Competition

On behalf of the MNRC 2019 Team

### Missouri Natural Resources Conference

Missouri Natural Resources Conference is approaching fast. Registration is open and the hotel group name is MNRC. The MNRC team has a filled schedule of workshops and presentations for this year. Plenary Speakers are Brandon Butler and Bryan Richards. Check out the re-vamped website at [MNRC.org](http://MNRC.org). (Submitted by Jon Skinner.)

Douglas Viehland is a Mission Trip Team Leader for an upcoming church mission trip to Haiti with an application deadline of December 30. He has led several others in the past focused on rebuilding infrastructure. One is now planned for March 30-April 6, 2019 focused on reforestation. A likely pool of candidates for this trip may be forestry students (but not limited to) and graduates who would like to work alongside Haitians and other persons from the United States. This is both educational and serving to make a contribution to a country that needs this assistance. It is an international experience for a good cause. Participation on this trip can be a valued addition to a resume. More information can be found at the link below: (Submitted by Douglas Viehland, Team Leader, Haiti Reforestation Serve Trip, 913-515-3680.)

Parks, Recreation and Sport students **Adam Ziervogel** and **Josh Tharp** recently spent their Thanksgiving Break volunteering at the National College Basketball Hall of Fame Classic basketball tournament in the Sprint Center (Kansas City, MO). As volunteers, they helped with the coordination of on court activities, presentation, and in-game activities. Great work Josh (left) and Adam (right). (Submitted by **Jason Young**; Photo provided by Adam Ziervogel.)

*A Screening of Green Fire: Aldo Leopold and a Land Ethic for Our Time* was held on campus in Conservation Auditorium. The movie explores the life and legacy of legendary conservationist Aldo Leopold and the many ways his land ethic philosophy lives on in the work of people and organizations all over the country today. Dr. Susan Flader, MU Professor Emerita of American Western and Environmental History in the Department of History and SNR Advisory Council member (pictured left), provided an introduction about Aldo Leopold and his experience with and influence on conservation in Missouri. The event was co-sponsored by the SNR Alumni Association (President **Greg Snellen** pictured center) and the SNR Student Council (STUCO) (President **Andrew Williams** pictured right). (Photos by **Amber Edwards**.)

## **THIS WEEK IN SNR WITH DIRECTOR JOSE**

Met with Brett Wright, Director of the U.S. Tiger University Consortium @ Clemson, to talk about collaboration with the tiger conservation initiative
